DISCUSSION

The Pacific Grove Highway 68 Study was launched in July 2015 to look at ways to improve two streets that are part of State Route 68 through Pacific Grove: Forest Avenue and Sunset Drive. The ultimate goal of the study is to create a more "complete" corridor—one that works better for different forms of transportation and for people of all ages and abilities.

The Public Draft, Pacific Grove Highway 68 Study Report, can be found on the City's Website at the link: <http://www.cityofpacificgrove.org/sites/default/files/news/title/pg-highway-68-study-public-draft.pdf>

The staff report presented this evening is to provide the Council and members of the public with an opportunity to review the study prior to a presentation that will be given to City Council at their October 5, 2016 Meeting. At the October meeting the City Council will be asked to adopt the study.
