

RAINWATER HARVESTING REBATE FORM

Rainwater Harvesting Information Check

How many gallons will your rainwater harvesting system collect?

_____ gallons*

* A water cistern or rainwater collection equipment up to 1,500-gallon capacity if located on the sides or rear of building and outside of building setback areas, is eligible for a Counter Determination permit. Larger systems may require Administrative Permits. For permitting questions, contact the PG Community Development Department 831-648-3100.

COMPLETE AND TURN THIS PORTION OF THE DESIGN GUIDELINES WITH THE REBATE & MAINTENANCE AGREEMENT FOR YOUR RAINSCAPE REBATE APPLICATION PACKAGE.

Please check the box: The harvesting system will be used for which use?

- Landscape Irrigation** **Non-Potable Indoor Use****

**Any indoor use of rainwater harvesting must be designed and installed by a licensed contractor. Permits will also be required; contact the PG Community Development Department 831-648-3100

Please check the box: The rainwater harvesting system in which the rebate is for is...

- A new system** **An existing system with a new barrel or cistern being added**

Explain where the cistern overflow will be routed to:

Rainwater Harvesting Location Photographs

Submit up to two site photographs where you intend to harvest rainwater before installation. Include your name, contact information, and address where the rainwater harvesting system will take place. Print out photos as part of this submittal.

Funding for the RainScapes Rebate Program has been provided in full or in part through an agreement with the State Water Resources Control Board

RAINWATER HARVESTING

REBATE FORM

Rainwater Harvesting Cistern Proof of Purchase and Product Information

As part of this submittal, submit a copy of proof of purchase/receipt for the cistern. Also submit the product information of the cistern purchased which includes the gallon size capacity of the cistern.

NEXT STEPS

Please review the RainScapes Rebate Program, Rebate & Maintenance Agreement and visit our site at: www.cityofpacificgrove.org and navigate to LIVING / Green PG / RainScapes for a step by step procedure.
