## PUBLIC WORKS

**Pacific Grove Highway 68: A corridor for everyone!** Highway 68 is an important corridor in Pacific Grove. It serves as a gateway into the city, and connects residents and visitors to such key destinations as Pacific Grove High School, Asilomar, Spanish Bay, the ocean, and numerous businesses.

Now, the City--along with the Transportation Agency for Monterey County (TAMC) and Caltrans--has kicked off the Pacific Grove Highway 68 Corridor Study. The study will look at ways to make it safer and easier to walk and bike along the corridor, focusing on three segments of Forest Avenue and Sunset Drive, from the city limit to Asilomar Avenue. The study is expected to be completed less than a year from now, in June 2016.

The public will have many opportunities to provide input and feedback on the study beginning in late September 2015. To learn more and get involved, visit [www.PGhwy68.org](http://www.PGhwy68.org) or contact Ariana Green (TAMC) at [ariana@tamcmonterey.org](mailto:ariana@tamcmonterey.org) or at (831) 775-4403.

The recommendations that come out of the study could affect the way Highway 68 looks and functions, so we encourage even those who don't walk or bike in the corridor to get involved!

**Water Conservation.** On Friday, September 18 at 10:00 am, the City of Pacific Grove and California American Water will host a celebration of their recent turf replacement project at the popular Lovers Point Park and Beach, which was funded through the water provider and is expected to save a quarter of a million gallons of water each year. The City, with the assistance of Cal Am Water, removed 10,200 square feet of turf and replaced the turf with drought resistance plantings and picnic areas. California American Water will be on-hand with free water saving devices and information on residential conservation incentives and programs. The event is open to the public.

## **RECREATION**

The total enrollment in our Learn-to-Swim program was an astonishing 182 children, in the 12 week program. Our Recreation swim program did continue through Labor Day with the most amazing weather on record. Total attendance during our 103 days of Recreation Swim was 3,380 children and 1,204 adults.

**Preschool.** Our Community Center Preschool continues its 47 years tradition of excellence with a 93% capacity, caring for 25 children enrolled.

# The Triathlon at Pacific Grove

August 27, 2015

Dear Neighbor,

The twenty-first annual Triathlon at Pacific Grove will be held Saturday, September 12, 2015 and Sunday, September 13, 2015. This exciting event has proven to be very popular with participants, spectators, the Pacific Grove residents and businesses. The Olympic Distance Triathlon will be held on Saturday from 7:30 am and end at 3:00 pm. On Sunday the 5 & 10K runs will start on Ocean View Blvd at 7:30 am, followed by the Sprint Distance Triathlon at 8:40 am and end at noon.

We invite you to come out on one or both days and become part of the excitement. You can cheer from your front yard or you can come to Lovers Point, but please come. Be a spectator, a volunteer or a maybe even a participant.

As with any event of this magnitude, it is critical that all persons who could potentially be impacted by its implementation be notified in advance to minimize any problems stemming from the activity. The attached fact sheet summarizes street access and parking restrictions associated with the triathlon. You are encouraged to contact the organizers of the event, Tri-California, at 373-0678 if you have any questions or need additional information. On race day you can contact Race Director Terry Davis on his cell phone at 809-8444.

Once again the Triathlon will be centered at Lovers Point in Pacific Grove. The swim event will be held in the ocean at Lovers Point beach. After the swim, participants will bicycle from Lovers Point Park on Ocean View Boulevard along Sunset Drive to Asilomar Avenue, just below the Fishwife Restaurant and return via the same route to Lovers Point. After completing the bike course, triathletes will begin the run portion of the event. The Triathlon run course will go from Lovers Point on the recreation trail to near the Monterey Bay Aquarium. The runners will turn around before reaching the Aquarium (at Eardley Avenue) and return to Lovers Point via Ocean View Boulevard. On Saturday the Olympic runners will run up Twelfth Street, head south one block to Central Avenue, then west one block to Thirteenth Street, and return north to Ocean View Boulevard to Lovers Point. On Sunday, the Sprint Distance Triathlon run course will go from Lovers Point to just east of Berwick Park. The runners will turn around and return via Ocean View Boulevard.

The City recognizes that the Triathlon may inconvenience some residents who live along the course. In this regard, we are committed to minimize problems and make the event an exciting and enjoyable experience for everyone. This is the pledge of the City, the Triathlon Committee of Directors, and the 500 volunteers who help on race day. We have included a map of the course for you to see.

**New this year: In conjunction with the city of Pacific Grove and the Police Dept, we will not be issuing resident/permit passes. Any and all streets with *No Parking* signs apply to everyone – no resident exceptions. Please park your vehicle on a nearby side street to allow you access to leave during race road closures if you need to leave your home.**

Finally, if you do not reside at this address, please share this information with those who do.

Thank you for your cooperation, patience, and understanding. And remember, if you have any questions or need further information, you are encouraged to call Tri-California at 373-0678.

Sincerely,

  
Terry Davis  
President, Tri-California Events
