

PACIFIC GROVE WEEKLY SUMMARY

June 10, 2016

CITY CLERK

The Monterey Peninsula Water Management District will be conducting a public hearing on Monday June 20, 2016. The hearing is to consider Application #WDS-20160602CAW to Amend California American Water Company Water Distribution System to Add Aquifer Storage and Recovery Facilities. Approval of the application would enable California American Water Company (CAW) to incorporate facilities associated with Aquifer Storage and Recovery (ASR), including previously approved Phase 1 and Phase 2 wells, in addition to the proposed Hilby Avenue Pump Station (APN 012-324-032) and the proposed Monterey Pipeline (see attached figure).

COMMUNITY DEVELOPMENT

Local Coastal Program Update. On June 16, the [Planning Commission](#) is scheduled to discuss the [Implementation Plan](#) dated June 1, 2016, and make a recommendation to Council. A Special Planning Commission meeting, at another date yet to be determined in June, may also be considered if necessary. Council will continue the item from June 15 to a Special Meeting on June 29.

Implementation Plan considerations for Planning Commission include:

- Document organization;
- Coastal Development Permit procedures;
- Commercial-Visitor Zoning District Height Limits;
- American Tin Cannery Zoning Floor Area Ratio;
- Density Standards for Visitor-Serving Parcels.

Please also see the City's [Frequently Asked Questions](#) for more general information about certified Local Coastal Programs. Please email Anastazia Aziz, AICP, Senior Planner at aaaziz@cityofpacificgrove.org or call 831-648-3183 for more information.

FINANCE

The City's independent auditors, Chavan & Associates, LLC, were in town this week performing the annual interim audit (the preliminary audit that leads up to the final audit following the fiscal year end). This is the second audit that Chavan & Associates is undertaking for the City having been awarded a [three-year agreement in April 2015](#) to conduct the annual audit and prepare the Comprehensive Annual Financial Report. Sheldon Chavan and his team are highly valued partners in ensuring accuracy, accountability, and transparency of the City's financial resources.

FIRE DEPARTMENT

Fire Department Recognition. On June 7, 2016, the City of Carmel recognized members of the Monterey Fire Department for their involvement in helping save a swimmers life on Carmel beach on March 26, 2016.

Monterey Fire, Carmel Fire Ambulance, American Medical Response (ambulance), and Carmel Police had all been dispatched to the medical emergency involving three patients who had been reported in distress in the water. Upon arrival, the victims had been removed from the water and one unresponsive patient received CPR from a bystander. The other patient was treated for water intake and the third patient was treated for hypothermia by members of the Carmel Police Department which were already on scene.

Fire personnel took over CPR, initiated an AED and put an AutoPulse on the patient who was then transported by ambulance to the Community Hospital of the Monterey Peninsula (CHOMP). Two firefighters were utilized en route to the hospital to assist the Carmel Fire Ambulance paramedics with CPR and patient care. All patients were transported to CHOMP for further treatment. The patients have all made full recoveries.

Coleman Wildfire. On June 4, 2016 at approximately 6:15 p.m., Monterey Fire Department personnel were deployed to assist at a wildfire in southern Monterey County just north of Fort Hunter Liggett and the Los Padres National Forest. The blaze was first reported Saturday around 2:30 p.m. and quickly grew to over 3,000 acres. Approximately 120 homes were threatened and residents had been evacuated.

The steep and remote terrain has made containment challenging and more than 1,000 firefighters are still working on fully controlling the blaze. Firefighters with Alameda County, Hayward, Monterey County and Fremont were dispatched to assist Forest Service and Cal Fire crews. The fire is at 41 percent containment and road closures have been lifted. Full containment is expected by Monday.

HUMAN RESOURCES

Training. Several members of the city's leadership team attended the Liebert Cassidy Whitmore's management workshop yesterday. This month's workshop was focused on the growing concern of bullying behavior in the workplace. Participants learned how to define bullying, identify strategies for recognizing it when it occurs and address the impact of this conduct on the workplace. Attendees interacted and shared experiences through case studies and open group dialogue.

Promotion. Congratulations to Nancy Anzalone who participated in the internal promotional recruitment process for Police Records Supervisor. In her new role, Nancy will supervise the records unit function and staff. Nancy joined the Pacific Grove Police department in 2014 starting as a Police Services Technician. Nancy holds a Bachelor's Degree in Science from William Paterson University and completed two years of law school at the Thomas Jefferson School of Law in San Diego. In addition to her formal education, she has numerous certifications in law enforcement and safety. Please congratulate Nancy in her new role!

Recruitment. Several new recruitments were launched, including three for the Police Department: Police Officer Recruit, Police Officer Lateral/Academy Graduate and Police Services Technician. One recruitment was also initiated for the Community Economic Development Department: Code Compliance Officer. Interested and qualified applicants may apply by completing an online application through CalOPPS, (<http://www.cityofpacificgrove.org/about-city/jobs>).

LAW/POLICE DEPARTMENT

Weekly Highlights. Attached you will find Interim Chief Belcher's Weekly Police Report for the week of June 3, 2016 to June 9, 2016, with the Year-to-Date Monthly Highlights.

Stolen Vehicle. On the morning of June 9, 2016, the Pacific Grove Police Department was notified that a truck had been stolen from the 100 block of Sloat Street. At 11:30am, one of the Parking Enforcement Officers observed a truck matching that description and broadcast it to our officers. A Pacific Grove Officer observed the vehicle and initiated a traffic stop in the 600 block of Laine Street in Monterey. The driver of the vehicle attempted to evade the officer by driving east on Laine Street and then turning onto Reeside Ave, which dead ends at the Presidio of Monterey fence. The vehicle came to a stop when it struck the fence and retaining wall. The driver and passenger fled on foot from the scene. Officers from the Monterey Police Department and Pacific Grove Police Department canvassed the area and the driver of the vehicle was taken into custody by MPD officers. The passenger of the vehicle, described as a male, ages 20-30 in a gray shirt and light colored pants is still at large. **If anyone has information about the passenger, please contact the Pacific Grove Police Department.** The suspect has been identified as Adrian Chronister and was booked at the Monterey County Jail.

MUSEUM

Elkhorn Slough. Learn about the natural history and conservation of the Elkhorn Slough during a special members-only day hike on Saturday, June 18th, from 10 a.m. to noon with a guide from the Elkhorn Slough National Estuarine Research Reserve. Hikers are asked to meet at The Elkhorn Slough Reserve, 1700 Elkhorn Road in Watsonville, at the start of the hike. There are 20 spots available for this hike and space is limited. To reserve your spot, email Membership and Events Coordinator Beverly Bruno at bruno@pgmuseum.org.

<http://www.pgmuseum.org/museum-events/2016/6/18/member-exclusive-elkhorn-slough-day-hike>

Hummingbirds. Andrea Jones, Director of Bird Conservation at Audubon California, will talk about Allen's hummingbirds, the mysterious and hard-to-identify birds that often nest in central coast and northern California gardens during a lecture on Thursday, June 23, at 7 p.m. She will discuss the birds' past and present populations in California, how they are predicted to fare in climate change, and what you can do to attract these birds into your own backyard. This lecture coincides with the opening of a new exhibit that focuses on hummingbirds. Admission to the lecture is \$5 and free for Museum Members. <http://www.pgmuseum.org/museum-events/2016/5/4/lecture-allens-hummingbirds-a-story-of-their-past-and-predictions-for-their-future-in-california>

PUBLIC WORKS

Slurry Seal Project. Public Works has embarked on two projects around town. The first project was a slurry seal project that took place on various roads around town, primarily in the Del Monte Park neighborhoods. The contractor over the last two weeks had completed the crack sealing of all of the roads that were scheduled to be treated, ground down all of the markings on the roads, and completed their preparation of the streets. The slurry seal started on Tuesday and was completed by the end of the week. Once the slurry has been down for a few weeks the contractor will then come in and repaint the road markings.

Safety Fencing. The City has installed safety fencing along the rock wall that overlooks the Pool at Lovers Point. This was completed as the height of the wall was too low, and deemed to be a potential fall hazard. The fencing that was installed matches the existing fencing surrounding the pool and volleyball court, and looks great (as you can see)!

California Water Summit. The City, along with Brezack & Associates Planning and PercWater, were invited to present our Local Water Project at the 3rd annual California Water Summit in Sacramento last Friday. The summit consisted of community leaders and experts in the water field from across the state and the nation. The City was invited to present our project as a case study to discuss how, why and the next steps of the Local Water Project, as we are one of the first Cities to develop a project using State Revolving Fund Loan monies offered by the State for regional projects. Pacific Grove was also asked to present as a municipality leading the charge to help with smaller local projects that is consistent with California's drought measures. The presentation was very well received and was informative to other community leaders thinking of doing similar projects within their communities. Hats off to our own Dan Gho for being invited to present!

NOTICE OF PUBLIC HEARING

Today's Date: June 7, 2016
Hearing Date: Monday, June 20, 2016 beginning at 7:00 PM
Location: MPWMD Conference Room, 5 Harris Court, Building "G", Monterey (Ryan Ranch)
Item: Consider Application #WDS-20160602CAW to Amend California American Water Company Water Distribution System to Add Aquifer Storage and Recovery Facilities:
Phase 1 and Phase 2 Wells at 1910 and 2111 General Jim Moore Blvd., Seaside (previously approved and constructed);
Hilby Avenue Pump Station at 1561 Hilby Avenue, Seaside;
Monterey Pipeline traverses Seaside, Monterey and part of Pacific Grove

The Monterey Peninsula Water Management District (MPWMD or District) Board of Directors is scheduled to conduct a public hearing on the above referenced application at the time and location noted above. Approval of the application would enable California American Water Company (CAW) to incorporate facilities associated with Aquifer Storage and Recovery (ASR), including previously approved Phase 1 and Phase 2 wells, in addition to the proposed Hilby Avenue Pump Station (APN 012-324-032) and the proposed Monterey Pipeline (see attached figure). As part of this action, the Board will also consider a technical Addendum on the Hilby Avenue Pump Station. The Addendum would be incorporated into two previously certified Environmental Impact Reports: (1) ASR Project (Phase 1 certified by MPWMD in August 2006), and (2) Pure Water Monterey/Groundwater Replenishment Project (certified by Monterey Regional Water Pollution Control Agency in October 2015).

MPWMD staff recommends approval of the application with conditions of approval, consistent with MPWMD Rules 22-C and 22-D, based on evidence in the record. The complete information package for this public hearing, including Findings and Conditions of Approval, will be available for review on the District's website and at the District office no later than Thursday, June 16, 2016. If you are unable to attend the hearing, written comments should be received at the District office no later than 3:00 PM on Monday, June 20, 2016. Please note that any public hearing may potentially be continued to a different date, time, and/or location. Agendas for Board meetings are posted at the District office and on the District's website: www.mpwmd.net. The District contact is Henrietta Stern at 831/658-5621 or henrietta@mpwmd.net.

For Immediate Release:

June 9, 2016

On the morning of June 9, 2016, the Pacific Grove Police Department was notified that a truck had been stolen from the 100 block of Sloat Street. At 1130 am, one of the Parking Enforcement Officers observed a truck matching that description and broadcast it to our officers. A Pacific Grove Officer observed the vehicle and initiated a traffic stop in the 600 block of Laine Street in Monterey. The driver of the vehicle attempted to evade the officer by driving east on Laine Street and then turning onto Reeside Ave, which dead ends at the Presidio of Monterey fence. The vehicle came to a stop when it struck the fence and retaining wall.

The driver and passenger fled on foot from the scene, ignoring the officer's emergency equipment.

Officers from the Monterey Police Department and Pacific Grove Police Department canvassed the area and the driver of the vehicle was taken into custody by MPD officers. The passenger of the vehicle, described as a male, ages 20-30 in a gray shirt and light colored pants is still at large. If anyone has information about the passenger, please contact the Pacific Grove Police Department.

The suspect has been identified as Adrian Chronister and will be booked at the Monterey County Jail.

PACIFIC GROVE
CHAMBER OF COMMERCE
& TOURIST CENTERS

Present

Pacific Grove Triathlon

June 10-12th, Lovers Point Park, Pacific Grove
Olympic distance event consists of a swim course at Lovers Point, a bike course to Asilomar State Beach, and a run to the Monterey Bay Aquarium.
2,400 Triathletes from all over the world participate.
Please call 831-373-0678 or
visit www.tricalifornia.com to register for the event.
Online registration closes June 8th at midnight,
onsite registration will be open during the event.

**Butterfly Gift Shop
3 Year Anniversary**

During First Friday, July 1 from 6:00 - 9:00 pm
623 Lighthouse Avenue between 17th & 18th
Enjoy complimentary wine, appetizers, live music and more as you support Butterfly Gift Shop, home of Pacific Grove's monarch butterflies.

First Friday

Friday, July 1st from 6:00 p.m. to 9:00 p.m.
Grassroots event sponsored by several local participating businesses in downtown Pacific Grove, Ca. Founded by Artisana Gallery in March of 2010. Join us every month on the 1st Friday from 6:00-9:00 pm. Look for the Green flags to signify participating businesses.
Pacific Grove Art Center open from 7:00 to 9:00 pm.
For more information, contact Artisana Gallery at (831) 655-9775 or
firstfridaypg@gmail.com

City Fourth of July BBQ

Monday, July 4th from 11:00 a.m. to 3:00 p.m.
Join the Chamber of Commerce and celebrate the 4th with an old-fashioned, down-home BBQ in Caledonia Park (behind the Post Office). Great food, live entertainment and a chance to enjoy a patriotic celebration. Pacific Grove Rotary Club presents Reading of Declaration of Independence at 11:00 a.m. Chicken or Hot Dog lunch \$10 includes potato salad, garlic bread, salad and dessert, served from 11:00 a.m. until 3:00 p.m. (while supplies last) Live entertainment by The Firefly Band and Tom Faia & The Juice. Bounce houses for kids. More info: (831) 373-3304 or www.pacificgrove.org.

"Back in Time" Car Show

Lighthouse Avenue, Pacific Grove
Saturday, July 9th from 9:00 a.m. to 3:00 p.m.
Please join the Pacific Grove Chamber of Commerce in welcoming back the classic car show hosted by pre-1973 automobile enthusiast group, Gold Coast Rods. The event will take place on Lighthouse Avenue, downtown Pacific Grove. For more information, please contact Jeff Fetter at (831) 595-0143 or Dave Pueblo at (831) 424-2004 or visit www.goldcoastrods.org

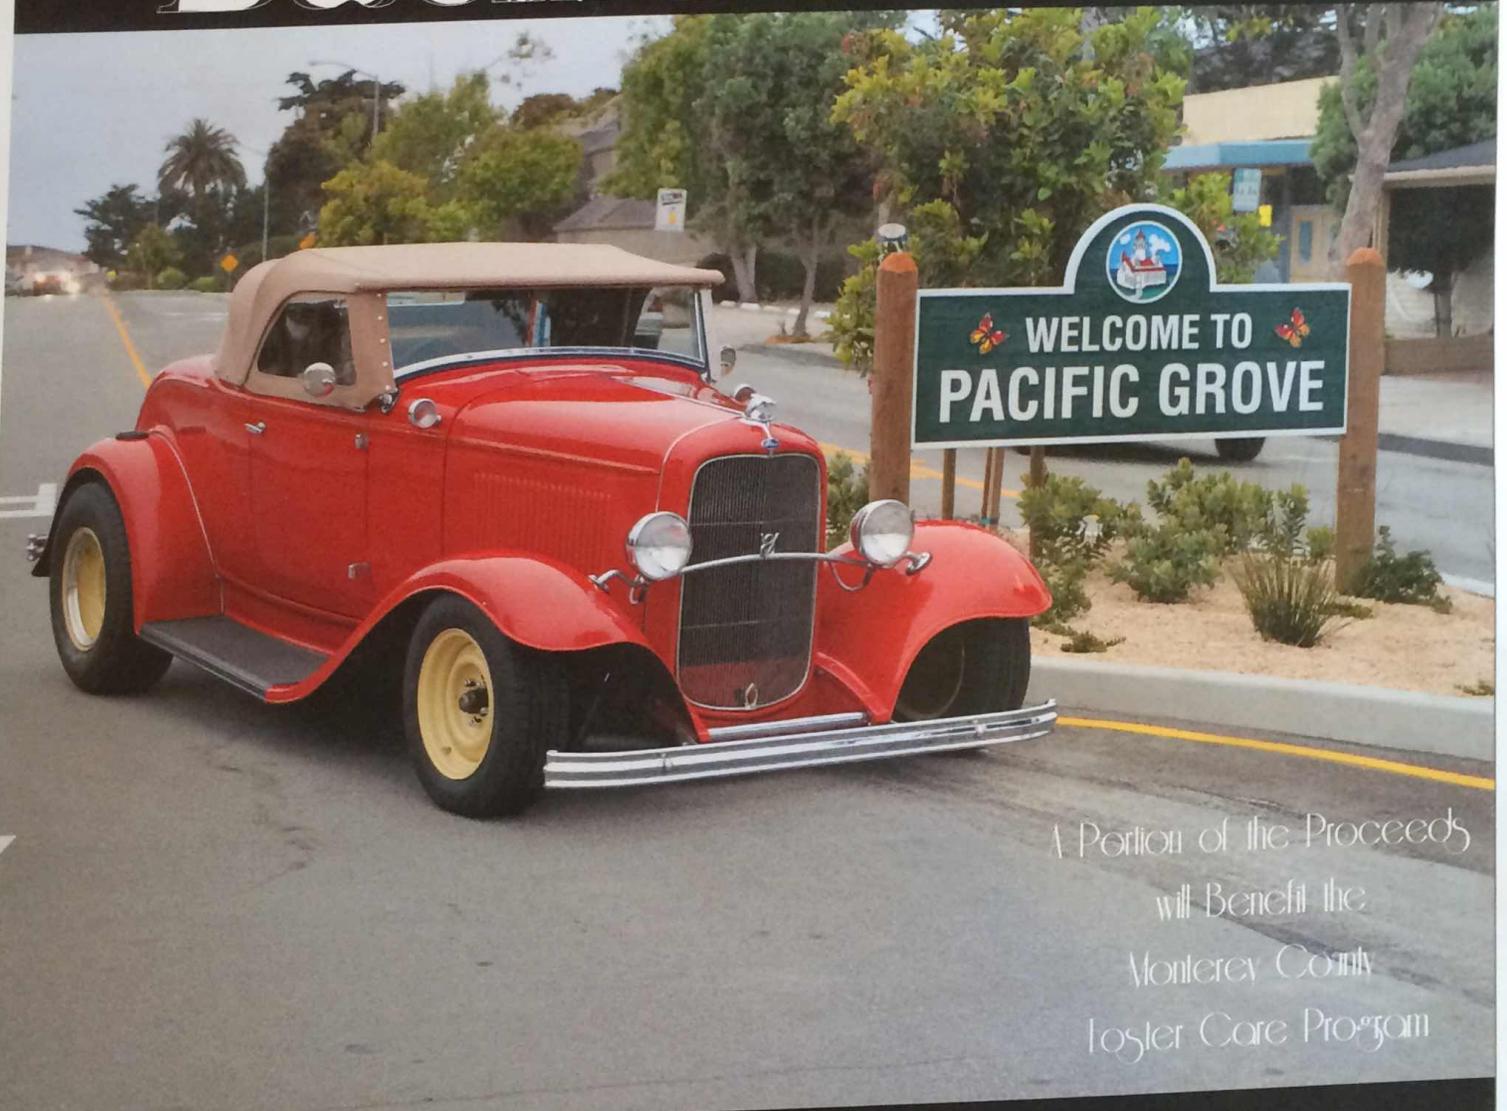

Poolside Reception

Wednesday, July 13th from 5:00 to 7:00 p.m.
Butterfly Grove Inn
1073 Lighthouse Avenue
Please join the Pacific Grove Chamber of Commerce in congratulating Pinakin and Apurva Patel, owners, and General Manager Erna Clay for the changes in their beautiful property by the Butterfly Sanctuary. Come and meet the new owners and management team and view the newly renovated rooms.
Complimentary wine and appetizers will be served poolside.
There will be a raffle and it is open to the public.
