

The Triathlon at Pacific Grove

August 19, 2014

Dear Neighbor,

The twentieth annual Triathlon at Pacific Grove will be held Saturday, September 13, 2014 and Sunday, September 14, 2014. This exciting event has proven to be very popular with participants, spectators, the Pacific Grove residents and businesses. The Olympic Distance Triathlon will be held on Saturday from 7:30 am and end at 3:00 pm. On Sunday the 5 & 10K runs will start on Ocean View Blvd at 7:30 am, followed by the Sprint Distance Triathlon at 8:40 am and end at noon.

We invite you to come out on one or both days and become part of the excitement. You can cheer from your front yard or you can come to Lovers Point, but please come. Be a spectator, a volunteer or a maybe even a participant.

As with any event of this magnitude, it is critical that all persons who could potentially be impacted by its implementation be notified in advance to minimize any problems stemming from the activity. The attached fact sheet summarizes street access and parking restrictions associated with the triathlon. You are encouraged to contact the organizers of the event, Tri-California, at 373-0678 if you have any questions or need additional information. On race day you can contact Race Director Terry Davis on his cell phone at 809-8444.

Once again the Triathlon will be centered at Lovers Point in Pacific Grove. The swim event will be held in the ocean at Lovers Point beach. After the swim, participants will bicycle from Lovers Point Park on Ocean View Boulevard along Sunset Drive to Asilomar Avenue, just below the Fishwife Restaurant and return via the same route to Lovers Point. After completing the bike course, triathletes will begin the run portion of the event. The Triathlon run course will go from Lovers Point on the recreation trail to near the Monterey Bay Aquarium. The runners will turn around before reaching the Aquarium (at Eardley Avenue) and return to Lovers Point via Ocean View Boulevard. On Saturday the Olympic runners will run up Twelfth Street, head south one block to Central Avenue, then west one block to Thirteenth Street, and return north to Ocean View Boulevard to Lovers Point. On Sunday, the Sprint Distance Triathlon run course will go from Lovers Point to just east of Berwick Park. The runners will turn around and return via Ocean View Boulevard.

The City recognizes that the Triathlon may inconvenience some residents who live along the course. In this regard, we are committed to minimize problems and make the event an exciting and enjoyable experience for everyone. This is the pledge of the City, the Triathlon Committee of Directors, and the 500 volunteers who help on race day. We have included a map of the course for you to see.

New this year: In conjunction with the city of Pacific Grove and the Police Dept, we will not be issuing resident/permit passes. Any and all streets with *No Parking* signs apply to everyone – no resident exceptions. Please park your vehicle on a nearby side street to allow you access to leave during race road closures if you need to leave your home.

[Redacted text]

Thank you for your cooperation, patience, and understanding. And remember, if you have any questions or need further information, you are encouraged to call Tri-California at 373-0678.

Sincerely,

Terry Davis
President, Tri-California Events

STREET ACCESS AND PARKING FOR THE TRIATHLON

PARKING

1. No parking on the entire portion of the waterfront on Saturday, September 13, from 12:01am - 4pm and on Sunday, September 14 from 12:01am -1pm. This includes both sides of the street on Ocean View Boulevard and Sunset Drive from Forest Avenue to Crocker Avenue. On Saturday, Sept 13 from 12:01am- 4pm on the south side of Ocean View Blvd. from 17th Street to Eardley Ave. On Sunday, September 14, from 12:01am to 1pm on the south side of Ocean View Blvd from 7th Street to 17th Street.
2. No parking on Ocean View Blvd between Forest and 17th Street from 8am Friday, September 12 to 6pm Sunday, September 14th.
3. No parking in the parking lot at Ocean View Boulevard and 17th St., from noon Wednesday, September 10 until 6pm on Sunday, September 14.
4. No parking on the south side (park side) of Ocean View Boulevard and 17th Street in the immediate area of Lovers Point from 9pm, Friday, September 12, until 3pm on Sunday, September 14. On the north side, no parking from 9pm on Friday, September 12 until 3pm on Saturday, September 13, and on Saturday from 9pm until 1pm on Sunday September 14th.
5. No parking On Central Avenue from Carmel Avenue to 14th Street on Saturday, September 13, from 4am to 4pm. This includes both sides of the street. This street is open on Sunday.
6. No parking on both sides of 12th Street and 13th Street on Saturday, September 13, from 4am to 4pm. In conjunction with the city of Pacific Grove and the Police Dept, we will not be issuing resident/permit passes. Any and all streets with no parking signs apply to everyone – no resident exceptions.

STREET ACCESS

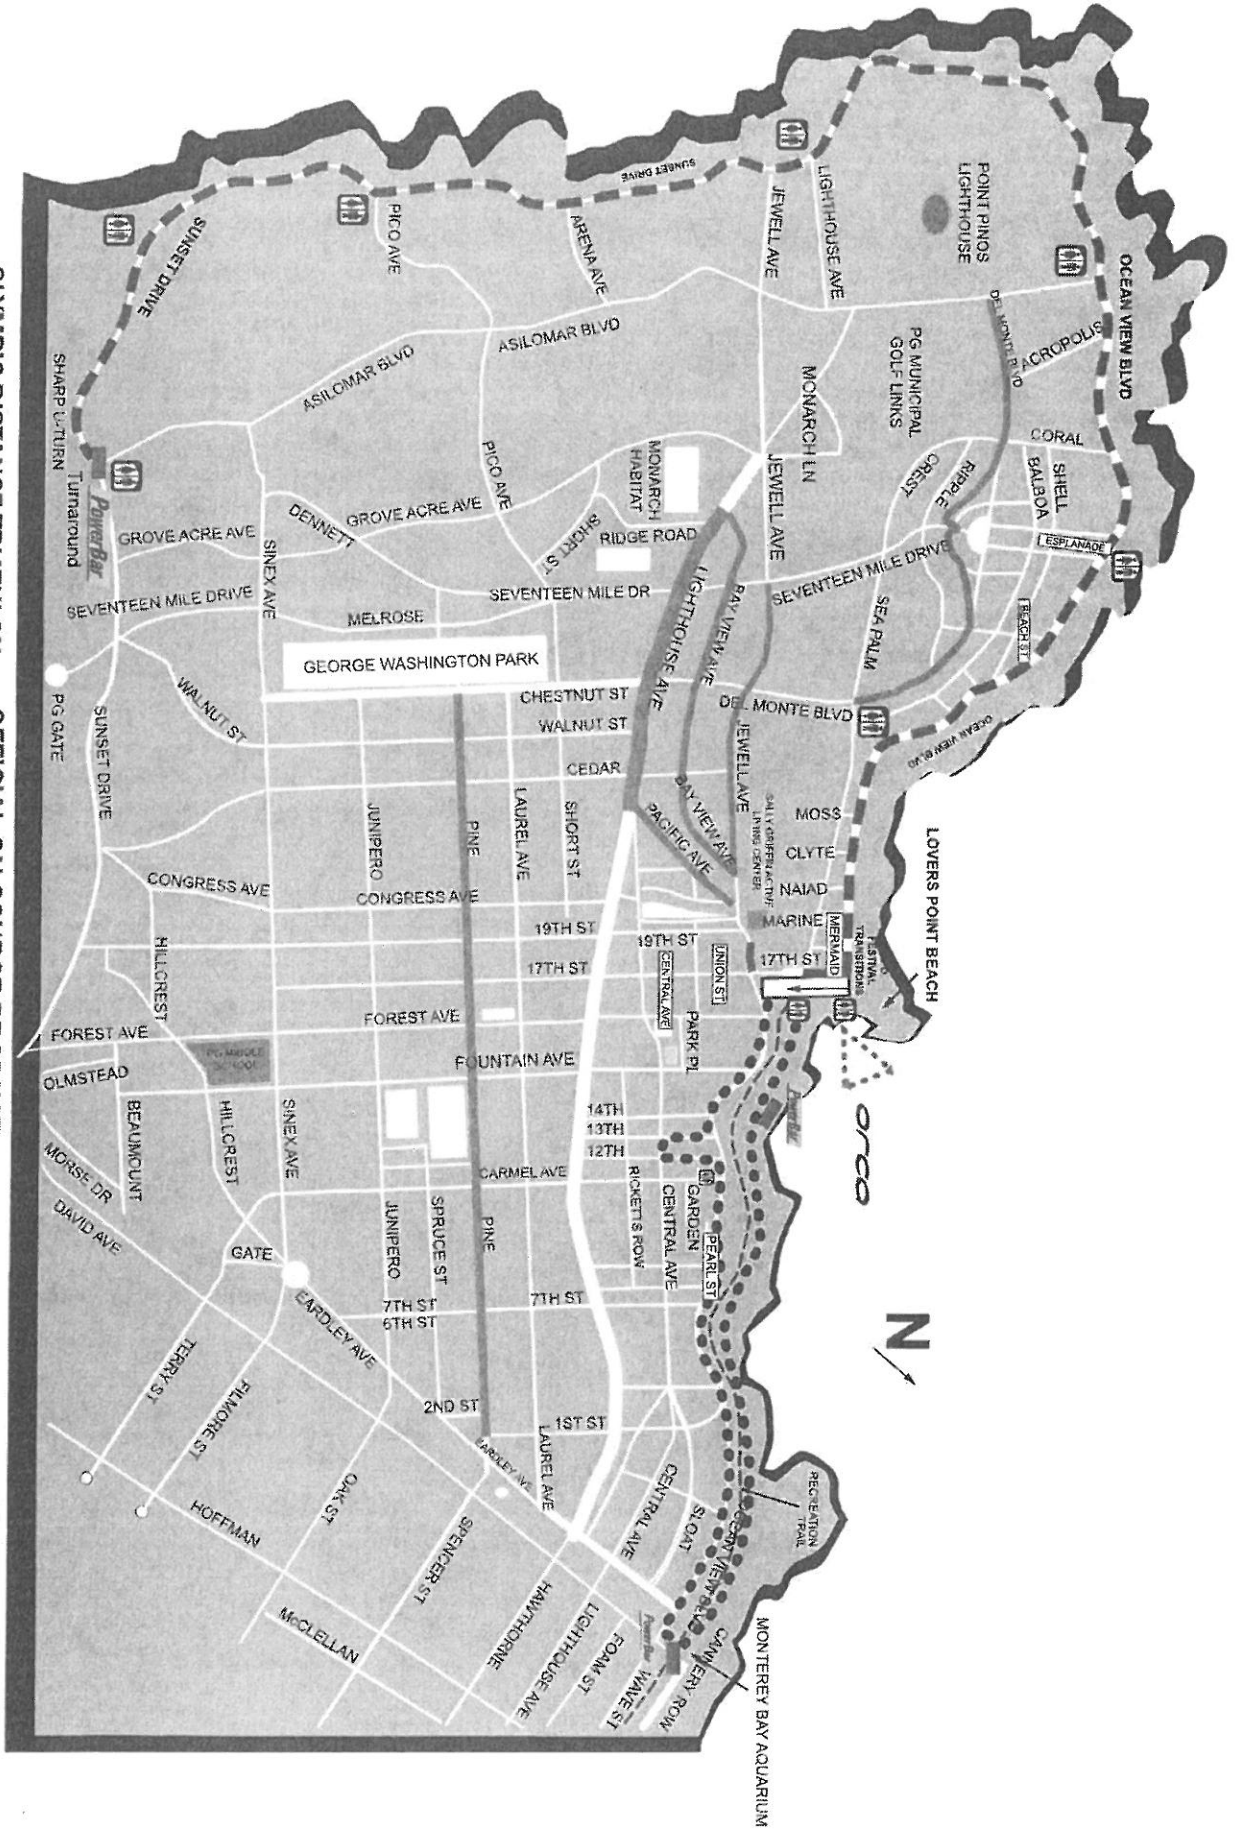

1. During the course of the event, from approximately 6:30am-3:00pm on Saturday September 13, the road will be closed in both traffic directions on the waterfront (Ocean View Boulevard and Sunset Drive) from Forest Avenue at Ocean View Boulevard to Crocker Avenue at Sunset Drive near the Fishwife. Approximately 1,200 cyclists (amateurs) will be staged in intervals, on to this course, between the hours of 7:15-12:00pm. Approximately 30 cyclists (professionals) will be on this course from 12:30-2:30pm. On Sunday, September 14, the above roads will be closed from 6:30am-11:00am
2. During the course of the event, traffic flow on Ocean View Boulevard on Saturday, September 13 from approximately 6:30am-3pm, from Forest Avenue, east to the city limit at Eardley Avenue, and on Sunday, September 14, from approximately 6:30am-11:00am from Forest Avenue to 7th Street, will be restricted to one-way east bound. This means cars going toward the ocean from Central Avenue will only be able to make a right turn on Ocean View Boulevard. Ocean View Boulevard will be closed from 12th Street to 13th Street in both directions. On Sunday, September 14 from 6:30am-3pm.
3. During the course of the event, from approximately 7:30am to 3pm on Saturday, September 13, 12th Street and 13th Street from Ocean View to Central Avenue will be closed. Residents living along the course that need to leave their home during the race hours park on side streets near their homes, to allow them access to leave Pacific Grove during the hours that roads are closed.

MOTEL AND MERMAID RESIDENTS INFORMATION

4. During the course of the event, from approximately 6:00am-3pm on Saturday, September 13, traffic flow on 17th Street from Ocean View to Mermaid Avenue will be restricted to vehicles wishing to visit the Lovers Point Inn, Borgs Inn or residents of Mermaid Avenue. A Pacific Grove Police Department officer will be assigned to the intersection of Ocean View Boulevard, Jewell Avenue, and 17th Street to assure access is maintained to the motels and Mermaid Avenue. Mermaid residents may also access Mermaid via Sea Palm.
5. During the course of the event, from approximately 6:00am-3pm on Saturday, September 13, traffic flow on Sunset Drive will be restricted to vehicles wishing to visit the Beachcomber Inn. A Pacific Grove Police Department officer will be assigned to the intersection of Sunset and Crocker to assure access is maintained to the motel.

RESTAURANTS/BUS/OTHER INFORMATION

1. For Monterey Salinas Transit route information affected by The Triathlon, please call MST at 899-2558.
2. The event organizers (Tri-California) advise that residents living along the course that need to leave their home during the race hours park on side streets near their homes, to allow them access to leave Pacific Grove during the hours that roads are closed.

SPONSORED BY THE PACIFIC GROVE RECREATION DEPARTMENT

CITY OF PACIFIC GROVE RECREATION BOARD
300 Forest Avenue, Pacific Grove

TO: Recreation Board
FROM: Recreation Board Chair
DATE: September 9, 2014
SUBJECT: Recreation Department Utility Costs

Recommendation

Reallocate all Recreation Department utility costs to Public Works Department for FY 2014/15.

Economic Impact

Possible future reduction in utility costs due to increased awareness of total utility costs.

Justification

Currently utility costs for a number of city parks and buildings are charged to the Recreation Department. These costs include Cal-Am and PG&E bills. However, the Recreation Department has little to no control over these costs.

The focus and responsibility of the Recreation Department is recreational and cultural programs and events. It has limited responsibility for maintaining the building and grounds in or on which the programs and events are held.

However, the Public Works Department has responsibility for maintenance of all City parks and buildings. Thus Public Works Department has the most control over utility costs. Combining utility costs with other maintenance costs for parks and buildings provides a more accurate picture of total operating costs.

Respectfully submitted,
Bill Peake, Chair
