

REQUESTS FOR QUALIFICATIONS FROM QUALIFIED ENGINEERING FIRMS TO PERFORM AN ASSESSMENT OF LOVERS POINT PIER AND DESIGN/ENGINEER REPAIRS

NOTICE TO CONTRACTORS:

Bid Opening Date: Thursday, August 26, 2021 at 2:00 pm

ADDENDUM NO. 2

Issued: August 11, 2021

The following changes are hereby made to the RFQ submittal requirements or are clarifying questions that the City has received:

1. **Exploratory Engineering Project Area.** The City has received questions regarding how much of the pier structure needs to be addressed in the exploratory engineering phase and Deliverable 1, the Existing Condition Report. The firm shall conduct all necessary exploratory engineering tasks to determine the existing condition and safety of the full pier structure, from the split pathway on the north side of the pier to the eastern tip of the pier. This area shall include the lower dock. A visual of the project area is provided below in red.
