TO: Honorable Mayor and Members of the City Council
FROM: Patty Maitland, Finance Director
MEETING DATE: February 3, 2016
SUBJECT: Fiscal Year 2015-16 Budget Modifications and Second Reading of an Ordinance Amending the FY 2015-16 Budget
CEQA STATUS Does Not Constitute a “Project” per California Environmental Quality Act (CEQA) Guidelines

RECOMMENDATION
Hold a second reading of an ordinance amending the Fiscal Year 2015-16 (FY 2015-16).

DISCUSSION
As detailed in the staff presentation made in support of the first reading of the draft ordinance, the proposed measure implements recommendations of the City Auditor as presented in the Annual Financial Audit Report received on November 18, 2015. The proposed ordinance will implement Council authorization to reconcile negative fund balances (excepting the Workers’ Compensation Fund which was acted upon by Council on November 4, 2015). The draft ordinance, detailed below, authorizes inter-fund transfers and appropriations for other unanticipated expenses that arose after the Council authorized the prior budget amendment on November 4, 2015.

Negative Fund Balances
Storm Water Fund (Fund 44). Excess expenditures were settled with Davis Wright Tremaine in October 2014. Settlement dollars were erroneously deposited into the General Fund (which funds the Storm Water Fund) instead of into Fund 19. Reduce appropriations to $373,145 and transfer $37,891 to People's Desal Fund 19.

CDBG Grant Fund 37. On March 6, 2012, the Council approved an application to the State for a $600,000 Community Development Block Grant (CDBG) to fund Housing Rehabilitation Loans. The grant was ultimately awarded to the City, however, no Council action was taken to transfer $600,000 to the CDBG Fund 37. Fund 37 received a $150,000 loan via Council action on September 17, 2014 and Council extended the loan on October 7, 2015 for the current fiscal year. This action loans the additional $450,000 to Fund 37 that the Council originally committed to in March 2012. As the expenditures are reimbursed by the State, the General Fund loan of $600,000 will gradually be repaid.
Supplemental Law Enforcement Services Fund 43 (SLESF). Sufficient revenues will be received in Fund 37 to fund the School Resource Officer Program (contract payments from the School District). This administrative correction reduces the current year appropriations to ensure a negative fund balance does not reoccur in this fiscal year. Reduce current year appropriations to $90,418.

People’s Desal Fund 19. (See notes for Storm Water Fund 44). A settlement with Davis Wright Tremaine in October 2014 was intended to balance the excess expenditures in this fund. However, the settlement amount was deposited into the General Fund instead of into Fund 19. Receive $37,891 from Fund 44 and close the fund.

Traffic Congestion Relief Fund 16. A FY 2014-15 departmental expenditure was incorrectly charged to Fund 16 instead of Fund 18. Receive $8,223 from Gas Tax Fund 18 and re-close Fund 16.

Library Book Fund 11. Book purchases exceeded available revenues. When a special purpose fund such as this has a negative balance at year end, it is customary to transfer operating funds, in this case Library operating funds, to clear the negative balance. Decrease Library General Fund Operating Division 401 appropriations by $5,836. Receive $5,836 from the General Fund.

Vehicle Abandonment Fund 45. It was anticipated that a more robust Vehicle Abandonment Program would generate higher revenues in the fund resulting in expenditures exceeding available revenue. When a special purpose fund such as this has a negative balance at year end, it is customary to transfer operating funds, in this case Police operating funds, to clear the negative balance. Decrease Police Operating Division appropriations by $363 and transfer $363 from the General Fund.

In summary, only the CDBG Grant Fund modification impacts the General Fund and that action is to fulfill a Council authorization made in 2012. All other modifications listed above have corresponding debits and credits between the funds and are neutral to the General Fund.

Unanticipated Expenditures
In addition to the above, the following unanticipated issues have arisen requiring Council authorization in the form of budget modifications.

Sewer Lateral Loans (Fund 78). Increase appropriations by $40,000 to enable the City’s Sewer Lateral Repair/Replacement Loan Program to improve sewer lateral lines connected to homeowners’ residences. These loans carry an interest rate of three percent per annum and repayment on the loan principal and interest are deferred until the property is sold. The loans are secured by a deed of trust on the property. There is sufficient fund balance in Fund 78 to accommodate this increase in appropriations. This transfer does not impact the General Fund.

Golf Course(Fund 77). Increase appropriations in the Golf Course Operating Fund 77 by $95,622 for tree removal ($14,012), netting ($31,510), counter top replacement ($11,600), and grease interceptor ($38,500). These expenses do not fall under the responsibility of either CourseCo (golf course management) or Aqua Terre (Point Pinos Grill operator). The tree removal and netting expenditures were due to a court settlement requiring the work to be completed by the City. The counter top replacement and grease interceptor are City responsibilities as the owner of the premises...
and to ensure appropriate maintenance of the facilities. There are sufficient funds in Fund 77 to accommodate this increase in appropriations. This increase in appropriations does not impact the General Fund.

Library Book Fund (Fund 11). A review of Fund 11 at mid-year indicates there will be insufficient funds to meet the fund’s obligations for the remainder of the year. Transfer $40,000 from Operating Donations Fund 31, Library Division 406 to the Library Book Fund. There are sufficient funds in Division 406 to effect this transfer and there is no impact the General Fund.

Community and Economic Development (CEDD) - Division TBD. Establish a new division under CEDD and set appropriations and revenues at $300,000 to track reimbursable expenditures for the American Tin Cannery Hotel (Project Bella). Reimbursable expenditures include: Environmental Impact Report, Project Management and Election costs. Specific revenue codes will be established to track reimbursements by Domaine Hospitality Partners, LLC. If expenditures do not exceed the reimbursements by Domaine Hospitality Partners, LLC, this action does not impact the General Fund.

OPTIONS
1. Do nothing.
2. Fund only some of the requested modifications.

FISCAL IMPACT
The fiscal impact of the modifications to the General Fund is $450,000 to fulfill the Council’s 2012 commitment to funding a Housing Rehabilitation Program. This is, in effect, a loan from the General Fund to the CDBG Fund 37 which is repayable upon reimbursement of the Housing Rehabilitation Loan expenditures by the State. All other modifications and interfund transfers in this report are neutral to the General Fund.

ATTACHMENTS
1. Ordinance

RESPECTFULLY SUBMITTED: REVIEWED BY:

Patty Maitland
Finance Director

Ben Harvey
Interim City Manager
ORDINANCE NO. 16-____

ORDINANCE OF THE CITY COUNCIL OF THE CITY OF PACIFIC GROVE
AMENDING THE APPROVED BUDGET FOR THE FISCAL YEAR 2015-16

WHEREAS, the City Council approved the Fiscal Year 2015-16 Budget on June 17, 2015; and

WHEREAS, the City Council received the Annual Financial Audit Report on November 18, 2015 that noted a nine outside funds that contained negative balances; and

WHEREAS, Staff indicated a recommendation would be presented to Council to resolve the negative fund balances; and

WHEREAS, the City Council approved the implementation of a 5-year refunding plan for the negative balance in the Workers’ Compensation Fund on November 4, 2015; and

WHEREAS, additional unanticipated expenses that have arisen since the Council authorized a budget amendment on November 4, 2015; and

WHEREAS, the City Manager is recommending amendments to the FY 2015-16 Budget to reflect the City Council’s expressed goals for the fiscal year budget; and

WHEREAS, in the enactment of this ordinance, the City followed the guidelines adopted by the State of California and published in the California Code of Regulations, Title 14, Section 15000, et seq. Enactment of this ordinance action does not constitute a “project” as defined by California Environmental Quality Act (CEQA) because it is an organizational or administrative activity that will not result in direct or indirect physical changes in the environment pursuant to the California Quality Act (CEQA), CEQA Guideline Section 15378.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF PACIFIC GROVE:
