Brief Description of Background and Qualifications (Additional Information May Be Attached on Separate Sheets): ATTACHMENT OF A RESUME IS DESIRABLE.

I currently work for Agrowthive, Inc. an organic bio-fertilizer manufacture in Gonzales. We travel to San Fran 3 times a week picking up 20 tons of fish remains from the fillet operations and use fish and corn steep liquor (the steeping water from corn processing) as our base. The company has sold millions of gallons of organic bio-fertilizer to farms in CA and beyond. I am familiar with the National Organic Program legislation of input materials and familiar with what soil requires to stay healthy and regenerate. I live in Pacific Grove, take classes at MPC and utilize public spaces in PG. I graduated from Cal Poly SLO and am familiar with the central coast environment.

I hereby certify that I am a registered voter of the City of Pacific Grove (not required for EDC appointees)
