

# Municipal Ball Park Policies

November 7, 2018 - City Council

# Background

## Council Policy 100-8 “Municipal Softball Park Master Plan”

- Adopted in 1992
- Provides a framework of operating rules to allow community use + protect residential neighborhood
- Amended in 2005 & 2011

### **2011 amendments included:**

- Elimination of adult league use in Spring to allow youth league on Saturdays
- Altering scheduling of play to High School softball program to begin in February

# Proposed Amendments

## Council Policy 100-8

### Modify “Scheduling of Play”

Allow youth baseball/softball leagues to begin in February

### Alter “Tournament” section

Increase number of tournaments from 5 to 8

Increase number of tournaments on consecutive weekends to no more than 3

### Modify “Hours of Play” section

Allow games to start at 9 am vs. 9:30 am

9 am is consistent with Use Policies at Arnett & George Washington

### Modify title of policy to “Municipal Softball Park Rules, Regulations & Improvements”

Existing policy title is misleading as there is no formal “master plan” for the park.

# Repealing Resolution 6063

## Establishing Council Policy 200-4

### Municipal Softball Park Rules and Regulations

- Reso. 6063 adopted in March 1990, established Policy 200-4
- Contains rules and regulations identical to those contained in Council Policy 100-8
- To minimize duplication, staff recommends repealing Reso 6063
