

# Monarch Sanctuary Sewer Main Line Replacement

---

CITY COUNCIL JULY 18, 2018

# The Sanctuary

---

Located within the City of Pacific Grove

Monarch Overwintering is between October and April

30,000 annual visitors

# Project Description

---

Project will be constructed in two phases: MND approved by Council at the June 6, 2018 meeting

- Phase 1: Sewer Line Improvements
  - Requesting approval tonight
- Phase 2: Installation of prefabricated bathroom
  - Tentatively scheduled for approval August 15

# Received Bid

---

One Bid Received From Monterey Peninsula Engineering for the sewer line improvements

- \$181,250

Engineers Estimate

- \$188,125

# Funding

---

Bid came in lower than engineers estimate but higher than the budget: Budget \$125,000

Sewer Enterprise Fund has ample funding to support the project

## Recommendation

- Authorize the City Manager to enter into an agreement with MPE for the Monarch Sanctuary Sewer Project
