Need for Action

- **Residents concerned after last two years' fire seasons**
- **Risks that may result in an evacuation need**
- **Evacuation Summit held January 24, 2019**

Challenges

- **Few roads leading out**
- **Roads have limited capacity**
- **Communication with residents**
- **Communications between agencies**
- **Limited resources to assist**
- **Coordination of planning between jurisdictions**

Opportunities

- **Review road network to identify alternatives**
- **Prepare regional evacuation plan**
- **Explore mass communications options**
- **Identify common communications system(s) for agencies**

Next Steps

- **Monterey County OES taking lead on developing regional plans**
- **Monterey Fire to coordinate local plans**
- **Test evacuation route through POM**
- **Coordinate with wildfire preparation planning**
