

City Council State and Federal Legislative Platform

City Council
City of Pacific Grove

April 3, 2019

Jenny McAdams jmcadams@cityofpacificgrove.org

Proposed Platform Priorities:

- 1. Local Control: Preserving the City's Charter City status, and ability to self-govern**
- 2. Fiscal Sustainability: Promoting sound financial decisions and policies at the City, County, and State levels of government.**

Proposed Platform Priorities:

- 3. Housing and Land Use Planning: Support housing measures that promote the development and enhancement of safe and affordable housing and accessible housing within the City for all economic segments of the community.**
- 4. Infrastructure: Supporting and encouraging existing infrastructure maintenance and new infrastructure development in the City, County, and State.**

Proposed Platform Priorities:

- 5. Public Safety: Promoting public safety by encouraging regional cooperation on fire and police issues.**
- 6. Transportation: Supporting a coordinated, regional approach to transportation and parking issues.**

Proposed Platform Priorities:

- 7. Water: Continuing work with other Cities, the County, and the State in developing sustainable and responsible solutions to the Monterey Peninsula's water needs.**
- 8. Environmental Stewardship: Supporting and promoting actions to assist with responsible and cost-effective coastal, forest, and ocean protections.**
