

RESOLUTION NO. 14-012

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PACIFIC GROVE
AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT
WITH NATIVE SUN LANDSCAPES FOR THE COMMUNITY CENTER LID
DEMONSTRATION PROJECT IN AN AMOUNT NOT TO EXCEED \$18,199**

FINDINGS

1. The Pacific Grove Area of Special Biological Significance (ASBS) is 3.2 miles of coastline adjacent to the City of Pacific Grove.
2. The City has been awarded a Proposition 84 ASBS grant in the amount of \$2,400,000 that includes funding for implementation of an outreach and incentive program in the project area to encourage residents and businesses to install building and landscaping retrofits to retain storm water on site.
3. The goal of the outreach program is to improve community engagement and build stewardship for watershed management and water quality improvement projects.
4. The Pacific Grove Community Center is located within the Greenwood Park Watershed, is a resource and gathering place for many residents, and provides an opportunity to showcase examples of Low Impact Development (LID) techniques from the RainScapes Rebate Program.
5. The Community Center LID demonstration project will help people envision what an LID project could look like on their property, encourage residents to learn more about how they can help address storm water issues in Pacific Grove, and join the City's financial incentive Program.
6. The financial incentive program will offer rebates to homeowners or business owners to implement small scale storm water retrofits in the Greenwood Park watershed. Retrofits could include projects such as installation of rain barrels, grassy swales, redirecting gutters, and changes in landscaping to retain storm water. Additional grant funds (\$41,801) are available to implement the rebate program.
7. The low bidder for the project was Native Sun Landscape, at \$18,199 (adjusted for prevailing wage per requirements of the grant).
8. This project will be funded entirely by the Proposition 84 ASBS grant and the Proposition 84 Grant funds are allocated in the FY 2013/2014 budget.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PACIFIC GROVE:

1. The Council determines that each of the Findings set forth above is true and correct, and by this reference incorporates those Findings as an integral part of this Resolution.
2. The Council authorizes authorizing the City Manager to execute an agreement with Native Sun Landscapes for the construction of the Pacific Grove Community Center LID Retrofits, in an amount not to exceed \$18,199.
3. This Resolution shall take effect immediately following passage and adoption thereof.
