## **Back of Registration Form for Abandoned Property**

The goal of the Code Compliance Program is to preserve the public peace, health and safety, and quality of life for Pacific Grove residents through education, assistance and fair and consistent enforcement of the City of Pacific Grove Municipal Code.

It is the intent of the City Council through the adoption of this Ordinance to establish a mechanism to protect neighborhoods and commercial districts from becoming blighted through the lack of adequate maintenance and security of abandoned properties. The Ordinance establishes a registration program and provides guidelines for the maintenance of abandoned properties.
