PGMC Chapter 23.80 SUBMITTAL REQUIREMENTS AND APPLICATION PROCESSING

STEP ONE - SUBMITTAL: The application package for an accessory dwelling unit permit to the CEDD shall include:

1. Site Plan (drawn to scale): Dimension the perimeter of parcel on which the second unit will be located. Indicate the location and dimensioned setbacks of all existing and proposed structures on the project site. Include all easements, building envelopes, trees, and features in the adjacent public right-of-way.
2. Floor Plans: Each room shall be dimensioned and the resulting floor area calculation included. The use of each room shall be identified. The size and location of all windows and doors shall be clearly depicted.
3. Elevations: North, south, east and west elevations which show all openings, exterior materials and finishes, original and finish grades, and roof pitch for the existing residence and the proposed accessory dwelling unit.
4. Cross Section: Provide building cross sections including, but not limited to: structural wall elements, roof, foundation, fireplace and any other sections necessary to illustrate earth-to-wood clearances and floor to ceiling heights.
5. Color photographs of the site and adjacent properties: The photos shall be taken from each of the property lines of the project site to show the project site and adjacent sites. Label each photograph and reference to a separate site plan indicating the location and direction of the photograph.
6. Deed Restriction: Completed as required, signed and ready for recordation.
7. Water: A completed Monterey Peninsula Water Management District Residential Water Release Form and Water Permit Application, with the existing and proposed fixture units. If sufficient fixture units are not available on the site to serve the accessory dwelling unit, the applicant shall request the project be placed on the Pacific Grove water wait list.
8. Fee: A permit application fee in the amount prescribed by the current master fee schedule.

Please submit 2 copies of the site plan, floor plan, and exterior elevations drawn to scale, and one full set of 8.5" x 11" reductions. Drawings should reflect both existing and proposed site conditions. The designer/architect is responsible for ensuring that all plans are internally consistent.

STEP TWO - ISSUANCE. The Chief Planner shall issue an accessory dwelling unit permit if the application conforms to all the specific standards contained in Chapter 23.80. The decision of the Chief Planner is final and is not subject to appeal.
