Greetings! My family moved to PG late in 2016 and we have not looked back since! My family includes my wife of 9 years, my Mom who lives with us and a young energetic squad: my daughter, 8, son, 5, and the youngest, 3 (who's lived all of his life in PG - envious!) The kids stand united with one phrase, "going to the beach!"

The past few months have thrown the world in a bind, and my family has been no exception. My wife and I are thankful to be employed during this time. However, we deliberate on how to improve life for our family, our community and the City of Pacific Grove.

On that note I humbly ask for your partnership to serve you and take the City to its most important chapter for the next 4 years.

My priorities include three key themes:

- Having successful and safe schools
- Identifying meaningful revenue streams and creating equitable distribution of funds
- Preserving the City's culture while promoting diversity

Thank you for your vote.
