Roadmap to Recovery Stage 2 Variance Update

Monterey County Health Department, Public Health Bureau
May 26, 2020
California’s Roadmap to Recovery

**STAGE 1: Safety and preparedness**
- Making essential workforce environment as safe as possible
- Modified school programs and childcare re-open

**STAGE 2: Lower-risk workplaces**
- Creating opportunities for lower risk sectors to adapt and re-open

**STAGE 3: Higher-risk workplaces**
- Creating opportunities for higher risk sectors to open and adapt

**STAGE 4: End of Stay Home Order**
- Return to expanded workforce in highest risk workplaces
- Requires therapeutics
Advancing Through Stage 2
California counties may advance through Stage 2 faster than the state-recommend pace with Attestation

➢ Variance #1
  ▪ Released May 8
  ▪ Small rural counties attested

➢ Variance #2
  ▪ Released May 18
  ▪ Revised Indicators based on statewide data
  ▪ Opportunity for medium and larger counties to attest
Stage 2 Variance #2 Readiness Criteria

- Epidemiologic Stability of COVID-19
- Protection of Stage 1 Essential Workers
- Testing Capacity
- Containment Capacity
- Hospital Capacity
- Vulnerable Populations
- Sectors and Timelines
- Triggers for Adjusting Modifications
- COVID-19 Containment Plan
1. Epidemiologic Stability of COVID-19

Stable/decreasing number of COVID-19 hospitalizations: 7-day average of daily percent change in total hospitalized confirmed COVID-19 patients ≤5%

STATUS: Met (-0.2%) ✓

OR

<20 confirmed COVID-19 hospitalized on any single day over the past 14 days

STATUS: Met (11) ✓
Epidemiologic Stability of COVID-19

AND

14-day cumulative COVID-19 incidence of <25 cases per 100,000

_STATUS: Not Met (28.6) X_

OR

Test positivity rate over last 7 days <8%

_STATUS: Met (2.3%)_
2. Protection of Essential Workers

Guidance has been provided for employers and essential critical infrastructure workplaces on how to structure the physical environment to protect essential workers

STATUS: Met

AND

Description of availability of supplies to protect essential workers and how availability is assessed

STATUS: Met
3. Testing Capacity

Minimum daily testing capacity to test 1.5 people per 1,000 residents

*STATUS: Met (1.6) ✔*

AND

Testing availability for ≥75% of residents measured by testing sites within 30 min driving time in urban areas and 60 min in rural areas

*STATUS: Met (88% urban, 95% rural) ✔*
Testing Capacity

AND

Provide COVID-19 surveillance plan including testing strategy

**STATUS: Met ✔**
4. Containment Capacity

At least 15 staff per 100,000 residents trained & available for contact tracing (65)  
**STATUS: Partially met (44)**  
with plan to meet

Availability to temporarily shelter ≥15% of county residents experiencing homelessness  
**STATUS: Met (46%)**
5. Hospital Capacity

- **Hospital capacity to accommodate COVID-19 patients at volume ≥35% of baseline average daily census**
  - STATUS: Met (829 beds including 148 ICU)

- **Hospitals have robust plan to protect hospital workforce**
  - STATUS: Met

AND
6. Vulnerable Populations

Plan to prevent & mitigate COVID-19 infections in SNFs

*STATUS: Met ✔*

AND

SNFs >14-day supply of PPE with established process for procurement from non-state supply chain

*STATUS: Partially met with plan to meet ⚠️*
7. Sectors & Timelines

Details of plan to move through Stage 2 with which sectors & spaces will be opened, in what order, and on what timeline

**STATUS: Met** ✅
8. Triggers for Adjusting Modifications

County metrics that serve as triggers for slowing the pace through Stage 2 or tightening modifications

*STATUS: Met*
Example of Triggers for Adjusting Modifications

COVID-19 Containment Plan

TO INCLUDE:

➢ Testing
➢ Contact Tracing
➢ Living and Working in Congregate Settings
➢ Protecting the Vulnerable

➢ Acute Care Settings
➢ Essential Workers
➢ Special Considerations
➢ Community Engagement
➢ Relationship to Surrounding Counties
Other Supporting Documentation

Letters of Support

➢ Board of Supervisors
➢ County Hospitals
➢ City Councils

</tbody>
</table>
New Shelter-in-Place Order

Early Stage 2
- Full-service car washes
- Pet grooming
- Outdoor museums, open gallery spaces, and other public places with modifications
- Dog walking service
- Residential cleaning and janitorial

Expanded Stage 2 with Attestation
- Destination retail (shopping malls and swap meets)
- Dine-in restaurants (bars, gaming areas, not permitted)
- Schools with modifications
Board Action

Consider adopting a resolution to:

A. Approve and authorize the Chair of the Board of Supervisors to execute a letter in support of the County Health Officer’s Attestation for Variance through Stage 2 of the State’s Roadmap to Pandemic Resilience, and

B. Authorize and direct the County Health Officer to transmit the attestation and its accompanying documents to the State Department of Public Health.
Next Steps

➢ Submittal of Monterey County Attestation Form and Containment Plan to CDPH

➢ Issuance of New Shelter-in-Place Health Officer Order

➢ Education and Inspection of businesses allowed to re-open
Thank you
