

Pacific Grove Residential Permits

NEW ONLINE ACCOUNT REGISTRATION:

Go to pg.getapermit.net - Click on the REGISTER NEW ACCOUNT button.

Step 1. Complete Account Registration Form – Complete all required fields marked with a red asterisk *. After completing form, select NEXT.

Step 2. Account Registration Documents - A copy of a valid driver's license and utility bill or rental agreement must be uploaded for review and approval. Both must be in the account holder's name and must match the account address. Upload and Submit.

Step 3. Order Permit: Click on ORDER PERMIT. Select the TYPE of permit, Residential Permit or Guest permit, then Click NEXT.

- For Residential Permits, enter all required vehicle information then click on NEXT. Now UPLOAD a copy of the current vehicle registration, then SUBMIT. An email will be sent when your documents are approved. When approved, log back in and pay for your permit.
- For Guest Permits, select SUBMIT. You will receive an email informing you when your account documents are approved. Log back into your account and pay for your permit.

You may repeat Step 3 for additional available permits for your residential zone.

Click on  from any page for assistance.
