MEMORANDUM

TO: Monterey Peninsula Engineering, AVI Systems

FROM: Ben Harvey, City Manager

CC: City Council
Daniel Gho, Public Works Director

DATE: May 13, 2020

SUBJECT: DESIGNATION OF ESSENTIAL GOVERNMENT FUNCTIONS IN ACCORDANCE WITH MONTEREY COUNTY HEALTH OFFICER ORDER

Pursuant to the May 1, 2020 [Monterey County Health Officer Order](#) (Order), Section 13f(vi), two additional construction projects have been designated Essential Government Functions:

Project	Contractor
ASBS Wet-Dry Weather Stormwater Capture & Diversion Project	Monterey Peninsula Engineering
Council Chamber Audio Visual Project	AVI Systems

In accordance with the Order, Essential Government Functions are exempt from the shelter-in-place requirement. You will be expected to continue to perform work in compliance with the contract requirements, the Order's social distancing requirements and protocols, and the Orders Construction Safety Protocol ([Appendix B](#)).

Please do not hesitate to contact Daniel Gho, Public Works Director at (831) 648-5722 with any questions.
