DISCUSSION

Article 19, Section (K) of the City Charter requires that a quarterly statement of all funds in the treasury be submitted to the Council. The Treasurer's report allows the Council and public to verify that the City's funds are invested in a safe and prudent manner, and that such investments comply with City policy and state law. The Treasurer's Report is different from a budget report, as its purpose is to report on cash balances.

This report reflects the City's balances as of March 31, 2018 and shows that cash and investments held citywide, totaled \$23,919,966. All investments are in government securities, certificates of deposit (CD), or other approved investment vehicles. The maturity dates are laddered, to ensure liquidity. All bank balances are insured. The City does not actively trade either certificates of deposits or federal agency securities but holds investments in the portfolio to maturity.
