

City of Pacific Grove
Memorial Tree Program

Many people want a living tribute to visit in honor of their loved one or simply want to know that a loved one is memorialized. The trees in this program serve as a living remembrance. Your \$550.00 tax deductible gift will be used to purchase and care for a tree, within the City of Pacific Grove.

The City Forestry Division will supply and plant the requested tree. Contributor involvement in planting or attendance at the planting is encouraged. Below we have provided a list of areas and types of trees you can select as your memorial tree and location you would like the tree planted. Please indicate on your application how you would like to participate.

The available areas and recommended species for planting are as follows:

El Carmelo Cemetery – *Monterey Cypress, Deodar Cedar, Italian Stone Pine, Liquidambar, Coast Live Oak, Cork Oak*

Recreation Trail – *Monterey Cypress*

Pacific Grove Golf Links – *Monterey Cypress, Torrey Pine, Italian Stone Pine, Liquidambar, Coast Live Oak, Cork Oak*

A few other locations may be available in the City's Parks, and some other Properties located throughout the City – Arborist and Buildings and Grounds Supervisor can assist you with the sites and types of trees to be planted in those locations.

Recognition will include: 4" x 4" memorial plaque on a small wooden mantel next to the tree planted with person(s) honored in the donor supported area provided and placed by The City of Pacific Grove.

The Forestry Division needs a minimum of 30 days from receipt of your living tribute request to arrange for tree planting and plaque. The City Arborist has the right to suggest the most suitable tree for the location, but you will be notified before your memorial tree planting is finalized. Understand that the planting of trees along the coast do not always fair well and a need may arise to replace it in the future. Replacement cost at a fair market price of a new tree may be assessed to the requestor for a replant.
