

George Washington Park Habitat Restoration

VOLUNTEERS NEEDED!

Meeting Location: Spruce and Alder entrance

First clean up: Saturday 3/14/2020
(Postponed if raining)

Hours: 9a-12p

What to Bring: Gloves, kneeling mat, hat,
passion for George Washington Park!

The goal of GWP Habitat Restoration
Volunteer Group is to clean up weed debris &
remove invasive grasses before
grass seeds again.

PG Public Works will take away plant material removed by
volunteers and the area cleared will be flagged as
restoration in progress.

Volunteer Group will meet January to April
2nd Saturday of the month 9a-12p.
