NEWS RELEASE

For Immediate Release:

March 12, 2018

The Pacific Grove Police Department's investigation of the terrorist threats left at the Pacific High School is ongoing. Unfortunately, we continue to hear from parents their children are afraid to attend school due to the threats. We know once the responsible person(s) are located, a sense of safety and security will be restored on the campus.

Today, we announce there is a \$1,000 reward for information leading to the arrest and conviction of the person responsible for the threats terrorizing our community. We ask you to contact the police department if you have information that will help investigators locate the suspect. There are a variety of ways to do so. You may contact the School Resource Officer (SRO) who works on campus, the department by calling the main desk at (831) 648-3143, or email pgpdrecords@cityofpacificgrove.org. However, if you wish to remain anonymous, call the anonymous Tip Line at (831) 648-3159.

Chief Christey said, "We are grateful for the partnership with our Pacific Grove Police Academy Alumni Association who generously offered the reward. And, we are confident someone knows the identity of the person who left the threats on school campus and remain hopeful they will come forward with the information."
